

Support our Benton County Ruckers & ★ Restoring Hope!

On Saturday, September 27th veterans and MTK supporters will ruck 22 miles through Benton County to raise funds for Restoring Hope renovations while spreading awareness about Veteran Mental Health. (It is estimated that about 22 US Veterans take their own life every day.)

Let's welcome these ruckers back to Boswell in a big way
and show our support!

- Hold Posters
- Make Yard Signs
- Play Music
- Wave Flags
- Cheer them on!

Ruckers will probably make it to Boswell around 3-3:30pm...

Join us at the After Party for live music, food trucks, raffles, and more!

(Follow Mary T. Klinker Veterans Resource Center's FB Page for updates throughout the day!)
